SUBJECT: LETTER ON COMPLIANCE ISSUES

Dear Mr. Bulátov,

On behalf of the International Commission for the Conservation of Atlantic Tunas (ICCAT), I am writing to inform you that during the Decision-Making Process which took place in lieu of the Commission meeting in 2020, the Commission noted that certain information had not been received, and that some reporting deficiencies remain unresolved. The reporting and implementation deficiencies are listed below and in the attached response template.

During the 2020 decision making process, Contracting Parties, Entities and Fishing Entities (CPCs) were assessed for compliance with ICCAT conservation and management measures and reporting requirements. Based on the review of the Secretariat Report on Statistics and Coordination of Research and the 2020 Secretariat's Report to the Compliance Committee and other available information, the Committee noted with satisfaction the improvements in reporting by Russia in comparison with previous years but observed the following deficiencies listed below:

- Some statistical data received late Task 1 zero catches and Task 2 size data
- National scientific observer programme data (through form ST09) received late
- Rec. 18-05: Billfish check sheet received late
- Rec. 18-06: Updated shark check sheet received late

Late or incomplete reporting causes difficulties for the Secretariat in preparing documents for the Commission and its Panels and Committees and reduces the effectiveness of the Compliance Committee. The lists of reporting requirements, the relevant reporting forms, and ICCAT Recommendations and Resolutions are published annually on the ICCAT web site at:

https://www.iccat.int/en/SubmitCOMP.html
https://www.iccat.int/en/submitSTAT.html
https://www.iccat.int/en/RecRes.asp

The Commission requests Russia to reply to this letter before **1 October 2021** and complete the attached template (preferably submitted as an MS Word document) to indicate the actions taken by Russia to rectify the deficiencies indicated.

If you have any questions about the issues raised in this letter, including a request for a more detailed explanation of the issues, please do not hesitate to contact me and the Secretariat at info@iccat.int.

In thanking you for your attention to these important matters, let me express to you the assurances of my highest consideration.

Derek Campbell
Compliance Committee Chair
