## ICCAT CIRCULAR # 10255 / 2022

**SUBJECT: MEETING OF THE eBCD TECHNICAL WORKING GROUP (TWG) (Online, 23-24 January 2023)**

Following discussion with the Chair of the eBCD TWG, a conflict of dates in his agenda has arisen, and hence I should like to inform you that the next meeting of this Group has been scheduled to take place online 23-24 January 2023 and not 17-18 January 2023 as originally foreseen in ICCAT Circular 10133 of 7 December 2022.

I am pleased to provide you with the Tentative Agenda of the meeting, which can be found in the [Nextcloud meeting document folder](#), where any additional documents for the meeting will also be uploaded.

In order to organize the meeting and issue the online participant links, you are kindly requested to send to the Secretariat a list of delegates who will participate in the meeting by **16 January 2023**. Any late submission of the official delegation may cause a delay in providing access to participants to the meeting. All participants must also register for the meeting by **16 January 2023**, using the online registration form which will become available on our meetings webpage soon.

Please accept the assurances of my highest consideration.

*Executive Secretary*

Camille Jean Pierre Manel
