Funding is available to cover travel and subsistence expenses for a limited number of national scientists from developing States that are Contracting Parties and that can provide information relevant to the meeting objectives. According to the [Rules of Procedure for the Administration of the Special Meeting Participation Fund](#) adopted at the 2023 Commission meeting, requests should be sent to [ICCAT-Travel@iccat.int](mailto:ICCAT-Travel@iccat.int) at least **45 days (28 March 2025)** in advance of the start of the meeting. Requests for financial assistance cannot be accepted after that date. All the information related to the [ICCAT Special funds for participation in ICCAT meetings and capacity building](#) is available on the ICCAT website.
