ICCAT CIRCULAR # 03230/ 2025

SUBJECT: MEETINGS OF THREE ICCAT WORKING GROUPS TO BE HELD IN JUNE 2025
(EMS, CDS AND IMM) (*hybrid/Brussels, Belgium, 17-20 June 2025*)

Following the adoption by the Commission of the ICCAT meetings scheduled for 2025 (ICCAT Circular #11923/2024), I would like to inform you that the three following meetings will be held at the **Conference Centre Albert Borschette**, Room AB-4A, 4th floor, **Rue Froissart 36, 1049 Brussels, Belgium**, from **17 to 20 June 2025**. The meetings will have a hybrid format, and the meetings times will be from 9:00 to 18:00 (local time). Please note that the three meetings will be held back-to-back, and once one is closed the next one will start at the immediate session, by the following order:

<i>Date</i>	<i>Meeting</i>
17-20 June	<i>Electronic Monitoring Systems Working Meeting (EMS WG)</i>
	<i>Second Standing Catch Document Scheme Working Group Meeting (CDS WG)</i>
	<i>18th Meeting of the Working Group on Integrated Monitoring Measures (IMM)</i>

The Tentative Agendas will be posted together with any other documents in the nextCloud folders. Please note that our mailing distribution list is limited. Therefore, I should like to ask that you circulate this announcement among potential delegates. This announcement will also be included on our [current meetings webpage](#).

CPCs wishing to submit documents for the forthcoming meetings are requested to do so as early as possible, and no later than **6 June 2025**, in order to ensure that they can be translated and published in time for the start of the meetings.

Please note that since the meetings will be held at a building of the European Commission. In order to organize the meetings, issue the online participant links, and EU DGMARE to grant access to in-person participants, you are kindly requested to send to the Secretariat a list of delegates who will participate in the meetings by **2 June 2025**. Any late submission of the official delegation may cause a delay or preclude in providing access to the meetings to participants. Therefore, all participants must also register for the meetings by **2 June 2025**, using the [online registration form](#) which will soon be available on our [meetings webpage](#). Moreover, please note that in-person access to the meetings will be managed by a security system called "V-PASS", and therefore the V-PASS system will contact those persons directly requesting further information related to their IDs, date of birth, etc., which will be further processed by the EU. Participants are also requested to arrive at the venue well in advance of the start of the meetings, as ID registration will be required at security first.

CONSERVACION DEL ATUN ATLANTICO

Funding is available to cover travel and subsistence expenses for a limited number of national managers from developing States that are Contracting Parties. According to the [Rules of Procedure for the Administration of the Special Meeting Participation Fund](#) adopted at the 2023 Commission meeting, requests should be sent to ICCAT-Travel@iccat.int at least **45 days** in advance of the start of the meetings (**3 May 2025**). Requests for financial assistance cannot be accepted after that date. As has been the case previously in similar situations when several meetings of the same subsidiary body of the Commission were scheduled back-to-back, aiming at the best use of the Meeting Participation Fund (MPF), only one delegate per Contracting Party may request financial assistance. Therefore, if attending more than one of the meetings, the same nominee should be nominated for all meetings for which assistance is being sought. All the information related to the [ICCAT Special Funds for participation in ICCAT meetings and capacity building](#) is available on the ICCAT website. It is highly recommended to visit this webpage in advance and to strictly follow the protocols. In particular, it is necessary to fully complete the invitation form.

Please accept the assurances of my highest consideration.

Executive Secretary

Camille Jean Pierre Manel
