Following the adoption by the Commission of the ICCAT meetings scheduled for 2026, I would like to inform you that the Intersessional Meeting of Panel 2 has been scheduled for **3-5 March 2026**. The meeting will be held at the ICCAT Secretariat in Madrid, have a hybrid format, and the meeting times will be from 9:00 to 18:00 (local time).

The Tentative Agenda (here attached) will be posted together with any other documents in the [Nextcloud meeting document folder](#). Please note that our mailing distribution list is limited. Therefore, I should like to ask that you circulate this announcement to potential delegates. This announcement will also be included on our [current meetings webpage](#).

The Revised Template for submitting the fishing, farming, inspection and capacity plans for eastern Atlantic and Mediterranean bluefin tuna that was recently updated, can be found [here](#).

The deadline for receipt of the fishing, farming, inspection and capacity plans for eastern Atlantic and Mediterranean bluefin is **15 February 2026**, but early submission is appreciated. The Secretariat will upload the plans to the [NextCloud site](#) as they become available in the three official languages. Should CPCs have any questions about the plans published, please submit them to the Secretariat before **20 February 2026** for those available by that date, in order for these questions to be transmitted to the CPC(s) concerned in advance of the meeting. This may help CPCs to respond during the meeting to any issues raised and expedite the discussion and endorsement of the plans. Such questions may be sent individually (i.e. CPC by CPC) or in one combined submission once all plans are available, as preferred.

CPCs wishing to submit documents for the forthcoming meeting are requested to do so as early as possible, and no later than **20 February 2026**, in order to ensure that they can be translated and published in time for the start of the meeting.

In order to organize the meeting and issue the online participant links, you are kindly requested to send to the Secretariat a list of delegates who will participate in the meeting by **23 February 2026**. Any late submission of the official delegation may cause a delay in providing access to the meeting to participants. All participants must also register for the meeting by **23 February 2026**, using the [online registration form](#) which will soon be available on our [meetings webpage](#).

Funding is available to cover travel and subsistence expenses for a limited number of national managers from developing States that are Contracting Parties. According to the [Rules of Procedure for the Administration of the Special Meeting Participation Fund](#) adopted at the 2023 Commission meeting, requests should be sent to ICCAT-Travel@iccat.int at least **45 days** in advance of the start of the meeting (**17 January 2026**). Requests for financial assistance cannot be accepted after that date. All the information related to the [ICCAT special funds for participation in ICCAT meetings and capacity building](#) is available on the ICCAT website. It is highly recommended to visit this webpage in advance and to strictly follow the protocols. In particular, it is necessary to fully complete the invitation form.
