

SCRS User registration

Go to: <https://www.iccat.int/DocsComm/login.php>

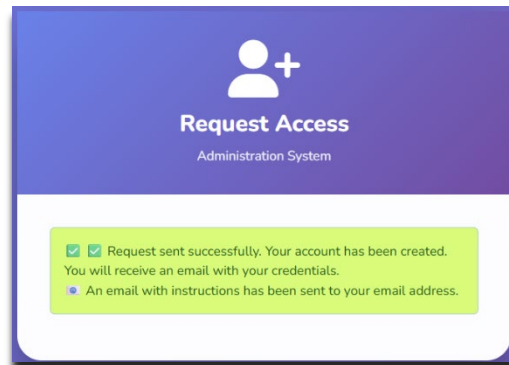

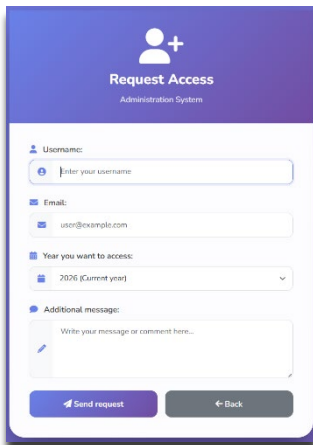

The screenshot shows a mobile-style login interface. At the top, there is a blue header with a white icon of a computer monitor with arrows pointing left and right. Below the icon, the text reads "Meeting Documents Access" and "Sign in to your account". The main content area is white with a blue border. It contains two input fields: "Username or Email:" with a placeholder "username or email@example.com" and "Password:" with a masked password "*****". Below the password field is a blue "Log in" button with a right-pointing arrow. At the bottom, there are two links: "Forgot your username or password?" and "Don't have an account? Request the administrator to create your account".

In this page you can select a Language for the menu. Please note that for the initial registration you do not need to fill in the “Username” or “Password”, this information is requested in the next step.

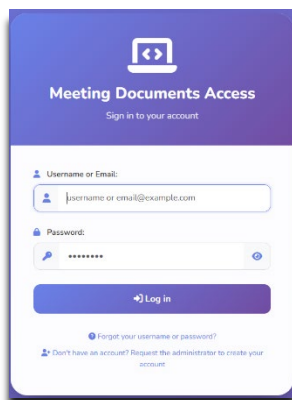

To request SCRS User registration, click on “[Don't have an Account? Register as SCRS User](#)”. The following message will appear “On registering for the meeting, you expressly accept to comply with the SCRS rules of procedure on access to and dissemination of SCRS documents and presentations provided during the meeting. Please note that only authorised participants can access the meeting documents and presentations, and that under no circumstances are they authorised to distribute or provide access to any person who is not officially authorised to attend the meeting.”

Once the registration has been completed and sent, you will see a message informing you that you will receive an email to activate your account.

In the verification email you receive, click on "Verify your account". Once you have verified our account, you will be redirected to the page <https://www.iccat.int/DocsComm/login.php>

Once your account has been authorised by your delegation, you will receive a confirmation email indicating that your account has been authorised and you will be able to access it via the link provided in the email.

Access activated - SCRS Documents

Hello test,

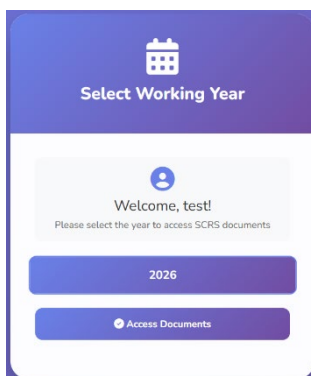

We inform you that your access to the documents for the year 2026 has been **ACTIVATED**.

Years you currently have access to:

- 2026

To access, use your usual credentials at the following link:

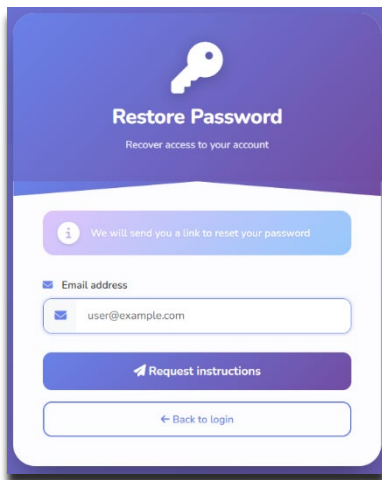

[Log in to the system](#)

Once the session has been initiated, you can select the year of the documents to be viewed if it was authorized in previous years. If it is the first time, you can only access the documents of the year in course.

Have you forgotten your User or Password?

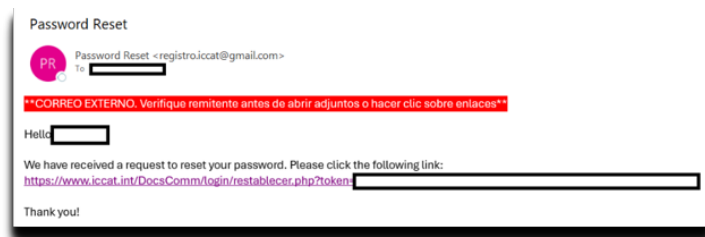

If you forget your username or password, click on “Forgot your username or password?” to request a change of password or to recover your username. This will take you to “Restore Password”.

The screenshot shows a web form titled "Restore Password" with the subtitle "Recover access to your account". At the top, there is a key icon. Below the title, a blue box contains the text "We will send you a link to reset your password". The form includes an "Email address" field with the placeholder "user@example.com". There are two buttons: "Request instructions" and "Back to login".

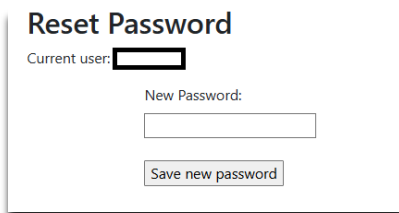

The page will be displayed where you can enter the email used during the registration to submit the request.

Once you have requested a password reset, you will receive an email indicating your Username. You must click on “Password Reset”.

The screenshot shows an email titled "Password Reset" from "Password Reset <registroiccat@gmail.com>". It contains a red warning banner: "**CORREO EXTERNO. Verifique remitente antes de abrir adjuntos o hacer clic sobre enlaces**". Below this, it says "Hello [redacted]" and "We have received a request to reset your password. Please click the following link: [https://www.iccat.int/DocsComm/login/restablecer.php?Token=\[redacted\]](https://www.iccat.int/DocsComm/login/restablecer.php?Token=[redacted])". The email ends with "Thank you!"

Once modified, click “Save new password”. This will redirect you to the page <https://www.iccat.int/DocsComm/login.php> where you will be able to use your modified Username and Password.

The screenshot shows a web form titled "Reset Password". It has two input fields: "Current user:" and "New Password:". Below the "New Password:" field is a button labeled "Save new password".
