

- RESOLUTION -  
COORDINATION WITH NON-CONTRACTING PARTIES

**TITLE: *Resolution by ICCAT on Coordination with Non-Contracting Parties***  
(Transmitted to Contracting Parties: **January 23, 1995**)

*RECOGNIZING* that the international community has an important responsibility to conserve the tuna and tuna-like resources of the Atlantic for present and future generations;

*RECOGNIZING* that the problem of ensuring such sustainability cannot be resolved properly unless all nations fishing these species work together cooperating through the Commission, which is the accredited international body with jurisdiction regarding these species in the Convention Area;

*RECALLING* that the on-going United Nations Conference on Straddling Stocks and Highly Migratory Species has emphasized the importance of ensuring the conservation of highly migratory species through international fisheries organizations such as the Commission;

THEREFORE,

THE INTERNATIONAL COMMISSION FOR THE CONSERVATION  
OF ATLANTIC TUNAS (ICCAT) RESOLVES THAT:

- 1 The Executive Secretary of ICCAT shall contact all non-Contracting Parties known to be fishing in the Convention Area for species under the competence of the Convention to urge them to become Contracting Parties or "Cooperating Parties". A Cooperating Party shall be defined as a non-Contracting Party that does not hold membership in ICCAT as a Contracting Party but voluntarily fishes in conformity with the Conservation decisions of ICCAT.
- 2 Non-Contracting Parties that continue to fish for bluefin tuna and that do not become Cooperating Parties shall be advised that their continued fishing outside ICCAT's conservation measures will diminish the effectiveness of those measures.
- 3 Cooperating Parties may attend the meetings of ICCAT as observers.
- 4 The Executive Secretary shall provide to non-Contracting Parties referred to in paragraph 1 above a copy of all relevant ICCAT Resolutions and Recommendations adopted by ICCAT.
