**LETTER FROM THE PWG CHAIR ON CLOSURE OF DISCUSSIONS**

11 December 2020

Dear PWG members,

Further to my last letter (PWG-422), I would like to inform you of the following.

Regarding the Chair's proposal to amend Rec. 18-12 (PWG-408) and following some additional clarifications, agreement has been reached and therefore will be forwarded to plenary for adoption by the Commission. No objections were raised by other PWG members during the final round.

A Summary Report of the PWG will be prepared and circulated in the coming days, including an amended draft plan for the 2021 IMM intersessional consultations/meeting taking into account the points expressed during the final round.

Many thanks for your contributions and patience.
