LETTER FROM STACFAD CHAIR ON CLOSURE OF DISCUSSIONS PERIOD

Dear Colleagues,

As we finalize the third round of the essential business of STACFAD for correspondence, I am pleased to announce that the STACFAD has adopted the following documents:

- STF-201,
- STF-202,
- STF-203A,
- STF-204A,
- STF-205 App 2B and STF-205 App 3C
- STF-207
- STF-209B

I would like to note that, with respect to the Draft Rules of Procedure on Administration of the ICCAT Meeting Participation Fund (STF-205_APP_3B/2020), Canada has suggested in the third round further edits to the last paragraph of section 4 on approval of funding for clarity and the sake of consistency with the rest of the text. The revised version of the document, which I consider also approved, can be found in the 2020 Commission Documents webpage (STF-205_APP_3C).

I will make my written report listing the decisions requiring endorsement and adoption by the Commission (document STF-250), which will be circulated with the Commission Chair's new letter on the way forward.

Yours sincerely,

STACFAD Chair

Hasan Alper Elekon
