Regulations and other related documents adopted by all concerned Contracting Parties to implement Recommendation 22-08

In accordance with paragraph 235 of the *Recommendation by ICCAT amending the Recommendation 21-08 establishing a multi-annual management plan for bluefin tuna in the eastern Atlantic and the Mediterranean (Rec. 22-08)*, in order to have greater transparency in implementing this Recommendation, the ICCAT Secretariat is mandated to biennially elaborate a report on the implementation of this Recommendation. This report is presented for the first time at the Annual meeting of the Commission in 2024.

The documents related to the implementation of this Recommendation received from the various Contracting Parties concerned are as follows and are contained in **Annex 1**.

CPC	Information/Documentation received	Language(s)
