At the 27th Regular Meeting in 2021, the Commission approved the [Recommendation by ICCAT to replace Recommendation 03-20 on criteria for attaining the status of Cooperating non-Contracting Party, Entity or Fishing Entity in ICCAT \(Rec. 21-24\)](#), which establishes that an applicant for Cooperating non-Contracting Party, Entity or Fishing Entity status shall confirm its intent to make an annual voluntary financial contribution, and make every effort to provide such contribution from 2024 onwards, commensurate with at least 50% of the amount that would be assessed should it become a Member of ICCAT, in accordance with Article X-2 of the Convention and Article 4-1 of the Financial Regulations.

In this regard, letters with the amounts of voluntary contributions were sent to Bolivia, Costa Rica, Guyana, Chinese Taipei and Suriname.
